RYA POWERBOAT SCHEME

An internationally recognised powerboat training scheme

Want to learn how to drive a powerboat? Why not learn to drive it safely?

RYA powerboat courses are fun, safe and internationally recognised. We train people on our RIBs or twin-engine pleasure boat, and can also teach you on your own boat!

The RYA Level 2 powerboat course is the most popular and is aimed at those who are new to boating as well as those with more experience.
