POLICY

Diving Packages

- Diving packages are for standard daily dives between 08h00 and 16h00, providing for 2 local guided dives. All additional services e.g. all rental equipment, early morning or night dives are chargeable on site. The diving packages are restricted to suitably qualified divers only.
- The dive planning will be organized subject to our Dive Instructor or Divemaster's recommendations and general sea/weather conditions. For your safety, the Divemaster may have to cancel a dive in bad weather conditions.
- All dives are with standard air plus weights. Nitrox is free for Nitrox-certified Divers.
- The participant is required to arrive on site with a Diving Medical Certificate (including a note indicating 'fit for diving').
- All packages are non refundable and non transferable.*
- SEAOMAN Dive Centre practises a 24 hour surface interval before flight.
- The use of dive computers and SMBs is obligatory and required.
- If in doubt for safety purposes, self-dive requests and approval must be obtained through the Dive Management before the necessary arrangements are made.
